† Color variation between orders is normal and not cause for rejection. ‡ Weathering and appearance variation, including color, sheen, and spangle, is common in non-painted materials and is not a cause for rejection. For consistent appearance, choose a paint-finished product. Colors on this chart are close representations of actual metal color, limited by printing and viewing conditions. Color matching optimized for outdoor viewing.
*7.2 panels are only available in Texas and Central regions. In Texas, R-Loc does not come in Charcoal or Gray. Pewter is available in Texas only.
